

THE BROKERAI — WEBSITE SPECIFICATION DOCUMENT

1. Website Purpose & Positioning

Primary Goal

Convert SME leaders who feel uncertain about AI adoption into qualified leads for coaching, roadmap design, and long-term AI transformation services.

Core Value Proposition (from documents)

“We remove uncertainty. We turn AI from a foggy ambition into a safe, structured, and high-impact roadmap.”

Target Audience

- SME owners and directors
- Operations managers
- Compliance & governance leads
- Non-technical decision-makers
- EU-based businesses concerned about AI Act compliance

Brand Personality

- Expert
- Neutral / vendor-agnostic
- Structured
- Reassuring
- European, regulatory-aware
- High-trust, high-clarity

2. Information Architecture (Site Map)

Top-Level Navigation

1. **Home**
2. **The AI Dilemma**
3. **Solution Classes**
4. **Our Methodology**
5. **About The BrokerAI**
6. **Engagement Model**

7. Start Your Journey

8. Contact

Footer Navigation

- Privacy Policy
- EU AI Act Compliance Statement
- Terms of Service
- Contact
- LinkedIn

3. Page-by-Page Specifications

PAGE 1 — HOME

Purpose

Immediate clarity: what The BrokerAI does, for whom, and why it matters.

Hero Section

- **Headline:** *If the path is not clear... we shape your SME AI roadmap.*
- **Subheadline:** *A safe, structured, and high-impact approach to AI adoption for European SMEs.*
- **CTA Buttons:**
 - *Book an Intro Call*
 - *Download the AI Roadmap Guide*

Hero Visual

Use the uploaded microchip/circuit logo as the central motif.

Key Value Blocks

1. **AI Adoption Is Confusing — We Bring Clarity**
2. **Vendor-Neutral Guidance**
3. **EU AI Act Compliance Support**
4. **Structured Roadmaps, Not Random Pilots**

Social Proof

- “European multi-disciplinary network of AI experts”

- “Supporting SMEs across the EU”

PAGE 2 — THE AI DILEMMA

Purpose

Explain the problem SMEs face (from PDF + PPT).

Sections

- **AI is accessible — but unclear** Quote from PDF: “SMEs stand at a crossroads. The technology is ready, but the path forward remains unclear.”
- **75%+ of SMEs experiment with AI but fail to gain value**
- **The pressure: competitors, vendors, regulators**
- **The paradox: interest without clarity**

Visuals

- Infographic: “Experimentation → Fragmentation → No Value”

PAGE 3 — CORE BARRIERS

Purpose

Show empathy and expertise by naming the four barriers.

Four Barrier Cards

1. **Cost Perception** “*Fear of choosing wrong becomes a financial barrier.*”
2. **Skills Gap**
3. **Organizational Resistance**
4. **Compliance & Ethics (EU AI Act)**

CTA

See how coaching breaks these barriers →

PAGE 4 — COACHING: THE BARRIER’S BREAKER

Purpose

Explain your core service: structured coaching.

Key Blocks

- Demystification
- Bridging the skills gap

- Reducing resistance
- Ensuring compliance
- Turning uncertainty into confidence

Visual

A “before/after” transformation diagram.

PAGE 5 — AI SOLUTION CLASSES

Purpose

Introduce your 5-tier model.

Five Cards (each links to a detail page)

1. **Personal Productivity**
2. **Intelligent Workflow Automations**
3. **RAG Solutions**
4. **Reasoning Agents**
5. **Custom AI Models**

PAGE 6 — SOLUTION CLASS DETAIL PAGES (5 pages)

Each page includes:

Structure

- **Definition**
- **SME Value**
- **Examples**
- **Readiness Requirements**
- **Where it fits in the roadmap**
- **CTA:** *Assess your readiness*

Example (RAG Solutions)

- Quote from PDF: *“AI becomes a knowledge assistant that operationalizes the organization’s collective intelligence.”*

PAGE 7 — OUR METHODOLOGY (Driving-Triad)

Purpose

Explain your strategic framework.

Three Pillars

1. **Need**
2. **Opportunity**
3. **Readiness**

Diagram

Triangle with dynamic arrows.

Copy

“The roadmap adapts dynamically as these three vertices evolve.”

PAGE 8 — ABOUT THE BROKERA

Purpose

Build trust.

Sections

- Mission
- European expert network
- Vendor-neutral positioning
- Regulatory expertise
- Why SMEs choose us

Quote from PDF

“We are not a vendor. We are a strategic broker.”

PAGE 9 — VALUE-CENTRIC MODEL

Purpose

Explain your engagement model.

Six Steps

1. Structured discovery
2. Roadmap blueprinting
3. Vendor brokerage
4. Change management

5. Compliance guidance
6. Continuous ROI tracking

Three Value Layers

- Operational
- Strategic
- Transformational

PAGE 10 — STARTING THE JOURNEY

Purpose

Conversion page.

Copy

“The first step in any AI journey should not be a technology purchase — it should be a conversation.”

CTA

- *Book a Discovery Call*
- *Download the AI Roadmap Guide*

PAGE 11 — CONTACT

Fields

- Name
- Company
- Email
- Message
- Optional: “Describe your AI interest”

Email

info@thebrokerAI.tech

4. Visual Identity Specification

Logo

Use the microchip/circuit graphic as the brand symbol.

Color Palette

- **Primary:** Deep navy / charcoal (trust, professionalism)
- **Secondary:** Electric blue (technology)
- **Accent:** White / light grey (clarity)

Typography

- **Headings:** Modern geometric sans (e.g., Montserrat, Inter)
- **Body:** Clean sans-serif (e.g., Roboto, Open Sans)

Iconography

- Line-based, minimal, tech-inspired
- Circuit motifs
- Triad diagram for methodology

5. UX & Interaction Design

Tone

Clear, structured, reassuring.

Microcopy

Avoid hype. Emphasize clarity, safety, readiness.

Interactions

- Smooth scroll
- Animated diagrams (triad, solution classes)
- Hover reveals on solution cards
- Sticky top navigation

6. SEO Specification

Primary Keywords

- SME AI adoption
- AI roadmap
- AI coaching
- EU AI Act compliance
- RAG solutions
- AI workflow automation

- AI reasoning agents
- Custom AI models

Metadata

Each page gets:

- Title
- Meta description
- OG image (logo)

7. Conversion Strategy

Lead Magnets

- *AI Roadmap Guide (PDF)*
- *Free 30-minute discovery call*

Conversion Points

- Hero CTA
- Mid-page CTA
- Footer CTA
- Contact page

Trust Builders

- Quotes from the PDF
- EU AI Act expertise
- Vendor-neutral positioning

8. Technical Requirements

Stack

- Static site generator (Next.js, Astro, or Hugo)
- Hosting: Vercel / Netlify
- CMS optional (Sanity / Contentful)

Performance

- Lighthouse score > 90
- Optimized SVGs

- Lazy-loaded animations

Compliance

- GDPR
- Cookie banner
- EU AI Act statement page
